

§ 502.75

46 CFR Ch. IV (10–1–15 Edition)

revocation of exemption may be issued unless opportunity for hearing has been afforded interested persons and departments and agencies of the United States.

(d) **FEDERAL REGISTER notice.** Notice of any proposed exemption or revocation of exemption, whether upon petition or the Commission's own motion, must be published in the **FEDERAL REGISTER**. The notice must include when applicable:

(1) A short title for the proposed exemption or the title of the existing exemption;

(2) The identity of the party proposing the exemption or seeking revocation;

(3) A concise summary of the agreement or class of agreements or specified activity for which exemption is sought, or the exemption which is to be revoked;

(4) A statement that the petition and any accompanying information are available for inspection in the Commission's offices in Washington, DC; and

(5) The final date for filing comments regarding the proposal. [Rule 74.]

§ 502.75 Declaratory orders and fee.

(a)(1) The Commission may, in its discretion, issue a declaratory order to terminate a controversy or to remove uncertainty.

(2) Petitions for the issuance thereof must: state clearly and concisely the controversy or uncertainty; name the persons and cite the statutory authority involved; include a complete statement of the facts and grounds prompting the petition, together with full disclosure of petitioner's interest; be served upon all parties named therein; and conform to the requirements of subpart H of this part.

(3) Petitions must be accompanied by remittance of a \$241 filing fee.

(b) Petitions under this section must be limited to matters involving conduct or activity regulated by the Commission under statutes administered by the Commission. The procedures of this section must be invoked solely for the purpose of obtaining declaratory rulings which will allow persons to act without peril upon their own view. Controversies involving an allegation of violation by another person of stat-

utes administered by the Commission, for which coercive rulings such as payment of reparation or cease and desist orders are sought, are not proper subjects of petitions under this section. Such matters must be adjudicated either by filing of a complaint under section 11 of the Shipping Act of 1984 (46 U.S.C. 41301–41302, 41305–41307(a)) and § 502.62, or by filing of a petition for investigation under § 502.76.

(c) Petitions under this section must be accompanied by the complete factual and legal presentation of petitioner as to the desired resolution of the controversy or uncertainty, or a detailed explanation why such can only be developed through discovery or evidentiary hearing.

(d) Responses to the petition must contain the complete factual and legal presentation of the responding party as to the desired resolution, or a detailed explanation why such can only be developed through discovery or evidentiary hearing. Responses must conform to the requirements of § 502.69 and must be served pursuant to subpart H of this part.

(e) No additional submissions will be permitted unless ordered or requested by the Commission or the presiding officer. If discovery or evidentiary hearing on the petition is deemed necessary by the parties, such must be requested in the petition or responses. Requests must state in detail the facts to be developed, their relevance to the issues, and why discovery or hearing procedures are necessary to develop such facts.

(f)(1) A notice of filing of any petition which meets the requirements of this section must be published in the **FEDERAL REGISTER**. The notice will indicate the time for filing of responses to the petition. If the controversy or uncertainty is one of general public interest, and not limited to specifically named persons, opportunity for response will be given to all interested persons including the Commission's Bureau of Enforcement.

(2) In the case of petitions involving a matter limited to specifically named persons, participation by persons not named therein will be permitted only upon grant of intervention by the Commission pursuant to § 502.68.

§ 502.78

(3) Petitions for leave to intervene must be submitted on or before the response date and must be accompanied by intervenor's complete response including its factual and legal presentation in the matter.

(g) Petitions for declaratory order which conform to the requirements of this section will be referred to a formal docket. Referral to a formal docket is not to be construed as the exercise by the Commission of its discretion to issue an order on the merits of the petition. [Rule 75.]

§ 502.76 Petitions—general and fee.

(a) Except when submitted in connection with a formal proceeding, all claims for relief or other affirmative action by the Commission, including appeals from Commission staff action, except as otherwise provided in this part, must be by written petition, which must state clearly and concisely the petitioner's grounds of interest in the subject matter, the facts relied upon and the relief sought, must cite by appropriate reference the statutory provisions or other authority relied upon for relief, must be served upon all parties named therein, and must conform otherwise to the requirements of subpart H of this part. Responses thereto must conform to the requirements of § 502.67.

(b) Petitions must be accompanied by remittance of a \$241 filing fee. [Rule 76.]

§ 502.77 Proceedings involving assessment agreements.

(a) In complaint proceedings involving assessment agreements filed under section 5(e) of the Shipping Act of 1984 (46 U.S.C. 40301(e), 40305), the Notice of Filing of Complaint and Assignment will specify a date before which the initial decision will be issued, which date will not be more than eight months from the date the complaint was filed.

(b) Any party to a proceeding conducted under this section who desires to utilize the prehearing discovery procedures provided by subpart L of this part must commence doing so at the time it files its initial pleading, i.e., complaint, answer, or petition for leave to intervene. Discovery matters accompanying complaints must be filed with

the Secretary of the Commission for service pursuant to § 502.113. Answers or objections to discovery requests must be subject to the normal provisions set forth in subpart L.

(c) Exceptions to the decision of the presiding officer, filed pursuant to § 502.227, must be filed and served no later than 15 days after date of service of the initial decision. Replies thereto must be filed and served no later than 15 days after date of service of exceptions. In the absence of exceptions, the decision of the presiding officer must be final within 30 days from the date of service, unless within that period, a determination to review is made in accordance with the procedures outlined in § 502.227. [Rule 77.]

§ 502.78 Brief of an amicus curiae.

(a) A brief of an amicus curiae may be filed only by leave of the Commission or the presiding officer granted on motion with notice to the parties, or at the request of the Commission or the presiding officer, except that leave must not be required when the brief is presented by the United States or any agency or officer of the United States. The brief may be conditionally filed with the motion for leave. A brief of an amicus curiae must be limited to questions of law or policy.

(b) A motion for leave to file an amicus brief must identify the interest of the applicant and must state the reasons why such a brief is desirable.

(c) Except as otherwise permitted by the Commission or the presiding officer, an amicus curiae must file its brief no later than 7 days after the initial brief of the party it supports is received at the Commission. An amicus curiae that is not supporting either party must file its brief no later than 7 days after the initial brief of the first party filing a brief is received at the Commission. The Commission or the presiding officer must grant leave for a later filing only for cause shown, in which event the period within which an opposing party may answer must be specified.

(d) A motion of an amicus curiae to participate in oral argument will be granted only in accordance with the requirements of § 502.241. [Rule 78.]
